Dear St. Paul Family and Friends,

God is doing something wonderful here at St. Paul's!

Thanks to your generous hearts, we are accomplishing amazing work in the Lord's name both within and beyond our church community.

That is why we are launching the **Summer Givin'** Initiative. Our initiative has two goals:

- 1- To encourage strong financial giving throughout the summer to help us meet our budget goals.
- 2- To raise money in support of Pastor Michael Megahan's work with **Lutheran Bible Translators**.

Every Sunday, from June 1 until August 31, we will highlight a ministry where your contributions are making a tangible difference in the lives of others. These highlights will be called **Kingdom Vibes**.

We will share these ministries to make you aware of how important your giving is for fulfilling God's mission.

We will also provide an updated chart that explains the daily costs to "keep the church lights on." Many of you appreciated having that information, as it guided your giving. You will find it on the other side of this letter.

As summer begins, we want to encourage you to keep those **Kingdom Vibes** going as we work towards our goals for the year.

**In God's Love,
The St. Paul's Stewardship Team**
